atbridge	10	Rico	Mira, I'm at El Abismo.	When Rico arrives at the bridge
atbridge	20	Mira	Listo, you know your way from there?	
atbridge	30	Rico	Not really. I'll figure it out.	
atbridge	40	Mira	You've got my coordinates.	
approachjump	10	Rico	People here must not be afraid of heights.	As Rico passes through the market and nears the jump.
approachjump	20	Mira	I know you're not.	
approachjump	30	Rico	I'm not, but I usually have a parachute.	
approachjump	40	Mira	Just be careful. This town is held together with a little rope and a lot of hope. We don't have much else.	
afterjump	10	Rico	Shit.	When something rickety falls off the bridge
afterjump	20	Mira	What happened? Everything okay?

CA1_1	10	civfemale	You'll like it here. I promise. People here, we take care of each other.	Man and woman talking in market, A
CA1_1	20	civmale	I used to have a house. A home.	

CA1_1	30	civfemale	Now you've got a new home. You fight it all you want, but this is Solís. Everyone gets rolled over eventually. Everyone except Espinosa.	
CA1_2	10	civmale	I guess this place is kind of beautiful, in its own way.	Man and woman talking in market, B
CA1_2	20	civfemale	El Abismo has a big heart. Sometimes I think this is where the soul of Solís lives.	
CA1_2	30	civmale	It must be. It's certainly not alive in the shopping malls or the factories or the mines.	
CA1_2	40	civfemale	Oiga, you'll be fine. Just let whatever happened to you before go. It can't touch you in this place.	
CA2_1	10	civfemale_a	It blows my mind I work seventy hours a week and still all I can afford is an old cargo container.	Two women talking in market, A
CA2_1	20	civfemale_b	Take it from me. When you think of the essentials, you don't need much more than that, hermana.	
CA2_1	30	civfemale_a	Some people have penthouses. In skyscrapers. Parties, every night!	
CA2_1	40	civfemale_b	Solís es Solís, no? Not sure why you are complaining about this *now*. Just ride the river where it takes you. Nothing else you can do.	
CA2_2	10	civfemale_b	I just want some time off, you know? I'm sick of working so much like this.	Two women talking in market, B
CA2_2	20	civfemale_a	You know, you don't have to work in a factory just cause you're breathing.	
CA2_2	30	civfemale_b	What else would I do?	
CA2_2	40	civfemale_a	Hermano, there are no rules. You can do *whatever you want*. It's all about what you're *willing* to do.	
CA3_1	10	civmale_a	That storm last night was something. It snowed here for a few minutes. Couldn't even see the mountains.	Two men talking in market, A
CA3_1	20	civmale_b	Global warming. Freaky. I don't like the cabron, but if Espinosa gets his weather control machine working, I'll kiss his feet.	
CA3_1	30	civmale_a	You really think he can do that?	
CA3_1	40	civmale_b	Oye, mi máma told me long time ago: any problem, you throw enough money at it, and eventually it goes away.	
CA3_1	50	civmale_a	No offense, but that is fucked up, man.	
CA3_2	10	civmale_b	When I lived back west a few years ago, there used to be these awful sandstorms all the time.	Two men talking in market, B
CA3_2	20	civmale_a	I've read about those.	
CA3_2	30	civmale_b	People would just disappear. Every time, a handful of people, gone. Cars swept off the road.	
CA3_2	40	civmale_a	Hope you're right about Espinosa's weather machine then. Maybe he's not such a cabron after all, no?	

CA4_1	10	civfemale	Migraines are getting worse, and the prices keep going up. Espinosa, trying to keep us all down.	A woman talks with her friend in a corner of the market, A
CA4_1	20	civmale	You should talk to Mira.	
CA4_1	30	civfemale	Don't think I know any Mira.	
CA4_1	40	civmale	She mostly keeps to herself but tell her I sent you. If she doesn't have what you need, she'll just smuggle it in for you.	
CA4_1	50	civfemale	Isn't that illegal?	
CA4_1	60	civmale	Legal. What's legal in a place like this? We gotta do what's right, not what's legal. You hear me?	
CA4_2	10	civfemale	You sure she can be trusted?	A woman talks with her friend in a corner of the market, B
CA4_2	20	civmale	Mira's the best. She helps her friends, and I'm her friend.	
CA4_2	30	civfemale	I'll find her later. I can't see straight, my head hurts so much.	
bangondoor	10	civmale	Por favor! The Black Hand are here!	Man banging on door
bangondoor	20	civmale	I'm not kidding! Let me in!	
bangondoor	30	civmale	A chopper's hanging over town!	
huddle	10	civfemale	Carajo, If they find me... Por favor!	Woman cowering in corner
huddle	20	civfemale	I can't go to La Mazmorra!	
huddle	30	civfemale	Mierda, mierda, mierda.	
worriedciv_a	10	civmale_a	Five years and they finally find me...	Two men having worried conversation, A
worriedciv_a	20	civmale_b	What do you mean they finally -- what did you do, hermano? Are you in trouble?	
worriedciv_a	30	civmale_a	You think I want to live in this place? Why are you here?	
worriedciv_a	40	civmale_b	I grew up here. Escuche. If they find you, we just tell them they made a mistake. You've lived here forever. Give them my name. I got no record.	
worriedciv_a	50	civmale_a	Oh, gracias, amigo. Gracias.	
worriedciv_b	10	civmale_b	I bet they're not even here for you. Mira crept in in the middle of the night. In a hurry, looking worried.	Two men having worried conversation, B
worriedciv_b	20	civmale_a	Who's Mira?	
worriedciv_b	30	civmale_b	Local girl. Smuggler. Ex-Black Hand. She can get you a USB drive or some name brand meds cheap, but she likes poking her nose where it shouldn't go.	
worriedciv_b	40	civmale_a	Should we turn her in?	
worriedciv_b	50	civmale_b	You shut your mouth. You don't know her name or anything about her, listo? We stick together down here.	

diophony_market_a	10	civfemale	Oye, will you help me catch this damn chicken!	Echoing from over an insurmountable wall, near entrance
diophony_market_a	20	civmale_a	I said I'm busy, mámi!	
diophony_market_a	30	civfemale	Put down your phone and help!	
diophony_market_a	40	civmale_b	STOP YELLING, TONTOS!	
diophony_market_a	50	civmale_a	Dios mio, I'm coming...	
diophony_market_b	10	civfemale	You see that storm last night?	Shouted between two windows, in market
diophony_market_b	20	civmale	Sí! The wind was so cold! My ficus was trembling!	
diophony_market_b	30	civfemale	I wrapped up in a blanket. See you at the market today?	
diophony_market_b	40	civmale	Sí you will! Catch you there, pelada!	
diophony_abandoned_a	10	civfemale	That's the Black Hand!	When the chopper first appears
diophony_abandoned_a	20	civmale_a	Black Hand!	As a warning to others
diophony_abandoned_a	30	civmale_b	What are they doing here?	
diophony_abandoned_b	10	civmale_a	Do you see them?	hushed call
diophony_abandoned_b	20	civmale_b	No, not yet.	
diophony_abandoned_b	30	civfemale	Get in here! Now!	
diophony_abandoned_b	40	civmale_b	No, no, I don't want them to find me with you. I gotta get out of here. You've been kind. Suerte, amigos!	
diophony_abandoned_c	10	civfemale	Where is mi hijo? MATÍAS! MATÍAS!	In an empty market space, from behind a wall
diophony_abandoned_c	20	civmale	Come, I'll help you look. Vámonos!
